

A little note from me to you...

The handwritten notecard placed in each Jared Box is a beautiful personal touch reflecting the love and kindness that went into making a Jared Box.

The best notes are the ones that tell a bit about the person making the box. For example,

"I am 7 years old. I love playing soccer with my friends and hanging out with my German Shepherd dog Leroy. I hope you enjoy this box of toys. Your friend, April."

Here are some ideas:

Sending happy thoughts.	Keep smiling.
Enjoy this box of fun.	A box of play, just for you.
Stay strong and brave.	You are a warrior.
Here's some sunshine to brighten your day.	Sending a hug.
Sending lots of caring wishes.	I'm cheering for you.
You are a rock star.	Sending sunshine.
I stuffed a hug into this box, just for you.	Wishing you a day of sunny smiles.
When you play with the toys, know that someone loves you.	Wishing you happy thoughts and a grateful heart.
This box was packed with love just for you.	Star light, star bright, sending you good wishes tonight.
I sure hope this box filled with toys, well-wishes, and love brightens your day.	This little box of toys and hugs was made just for you.
Hope these toys put a smile on your face.	Sending a little ray of sunshine your way
Hope you find something special in this box, just for you.	Thinking of you and sending lots and lots and lots of love.
This box is filled with fun stuff and healing hugs, just for you!	Twinkle, Twinkle, little star, do you know how loved you are
Rest, Relax, Recover. You're surrounded by caring thoughts and warm wishes.	I hope you love this Jared Box. I had so much fun making it for you.

Winnie the Pooh quotes are fun to use too:

"You're Braver than you believe, Stronger than you seem, and Loved more than you'll ever know!"

"A hug is always the right size." I hope you enjoy this box of hugs.

"Some people care too much. I think it's called love."

"A day without a friend is like a pot without a drop of honey." I'll be your friend.
